## 8 selected for colonel promotion

The colonel line of the Air Force, judge advocate general, chaplain, medical service corps and nurse corps boards selected eight Kirtland AFB lieutenant colonels for promotion. The Air Force selected a total 498.

The entire list is on [www.afpc.randolph.af.mil](http://www.afpc.randolph.af.mil).

### 377TH MEDICAL GROUP

Julia E. Nelson  
Frank B. Thornburg III

### AIR FORCE RESEARCH LABORATORY

### AIRBORNE LASER SYSTEM PROGRAM OFFICE

Jerry R. Couick  
Robert D. McMurray Jr.

### AIR FORCE SAFETY CENTER

Damon K. Booth

### AIR FORCE OPERATIONAL TEST AND EVALUATION CENTER

Daniel P. Grenier  
Jeffery A. Hosken

## 'Cool cat'

LEFT-Zorro, a military working dog on deployment, relaxes after a vigorous afternoon of training. The sun goggles protect Zorro's eyes much like "human" sunglasses. Zorro works with Staff Sgt. Carlos Delacruz, 377th Security Forces. See Page 13 for more photos.

## Free safety seats

Diane Keays of the Family Support Center (right) is certified to provide instruction on proper use of child booster seats that are available free to TEAM KIRTLAND parents. Stephanie Madsen learns how to use the seat to keep Coy, age 5, safe in her vehicle.

## Free toddler booster seats available

Children too big for a baby safety seat, but not quite big enough to fit into an adult seatbelt, can be protected with a free child booster car seat.

The booster seats are available at the Family Support Center.

The free Evenflo Rightfit Booster Car Seats are available for any TEAM KIRTLAND person—military, civilian or contractor—working on the base.

Diane Keays or Cyrus Maxilom, at the Family Support Center, are certified to instruct parents in the correct and safe use of the seats that require proper headrest, lap and shoulder belt system.

Children using the seats should weigh 40-80 pounds.

For an appointment, call 846-0741.
